

Press Release

The China-Aid Solar Photovoltaic Project in Nepal was officially inaugurated by the Rt. Honorable Prime Minister of Nepal, Shri K. P. Sharma Oli and H.E. Ambassador of People's Republic of China in Nepal Yu Hong today. In the ceremony, the Joint secretary Shri Dinesh Kumar Ghimire, Ministry of Energy, Water Resources and Irrigation and Mr. Peng Wei, Economic and Commercial Counselor, Embassy of People's Republic of China in Nepal signed the Project Handover Certificate in the presence of Rt. Honorable Prime Minister Mr. K. P. Sharma Oli, Honorable Minister Mr. Barsing Man Pun, Ministry of Energy, Water Resources and Irrigation, Mr. Anup Kumar Upadhyay, Secretary, Ministry of Energy, Water Resources and Irrigation, H. E. Ambassador Yu Hong, Embassy of People's Republic of China in Nepal

H.E. Yu Hong, Ambassador of People's Republic of China in Nepal delivered inaugural address in the ceremony. The Rt. Honorable Prime Minister Shri K. P. Sharma Oli gave a closing remarks in the ceremony. The ceremony was attended by the Chief Secretary, Secretaries and other officials of Government of Nepal and the officials of People's Republic of China.

The project is comprised of the building roofs of 19 government/public organizations situated in the premises of Singhdurbar, the administrative headquarters of Government of Nepal. The project was implemented with the grant assistance of the Government of People's Republic of China. The project was commenced in November 2017 and commissioned in January 2018.

The successful completion of the Project is the results of close coordination between the Government of the People's Republic of China, the Government of Nepal, Consultant and Contractor from China and all other people who associated with the Project, which further leads to stronger friendship between the Government of the people's Republic of China and the Government of Nepal.
