Notice regarding Paper Based Test (PBT) for vacant seats in B.E. Geomatics Engineering

This is to inform the candidates who are interested in admission to the B.E. Geomatics Engineering program at Kathmandu University but have missed the KUCBT examination due to different reasons that they can appear for the paper-based test examination to get enrolled in the few vacant seats in the Geomatics Engineering program.

Eligible and interested candidates are required to fill out the form provided below prior to appearing for the PBT examination by 9th September, 2025. Further information will be communicated to the candidates from the department at the appropriate time.
