### Press Release

The Hon'ble Minister for Labour, Employment and Social Security of Nepal, Mr. Rajendra Singh Bhandari, addressed the Ministerial Roundtable of the Third Session of Global Labor Market Conference (GLMC) held in Riyadh today.

In his address, the Hon'ble Minister highlighted the significant role of labour migration in Nepal's economy and stated that the Government of Nepal is focusing on skills development and workforce upgradation to enable Nepali youth to access higher-skilled, decent, and sustainable employment opportunities in the global labour market. Emphasizing the importance of the recently signed Bilateral Labour Agreement between Nepal and the Kingdom of Saudi Arabia, he noted that the agreement reflects the shared commitment of both governments to promoting structured, transparent, and dignified labour mobility, while ensuring the protection of migrant workers' rights and welfare through a framework of joint responsibility and mutual trust. He further underscored the need to broaden cooperation between Nepal and the Kingdom of Saudi Arabia and welcomed Saudi investment in key sectors including agriculture, information technology, infrastructure, hydropower and urban transport contributing to sustainable growth and job creation.

The Conference continues till 27 January 2026.
